ORDERING GUIDELINES

- METCHRO is a Truck Parts Manufacturer. All parts need to be produced and packed before being in transit to our customer facility. Depending on our inventory and/or METCHRO fabrication schedule the fabrication process may take up 3 to 5 weeks. Any anticipated delay will be noted on the Confirmation Order.
- Orders may be placed by e-mail at client@metchro.com or phone Customer Services at 1-888-932-3333 extension 230.
- Additions, Deletion or Cancellation of items or orders must be submitted via email with 24 hours of the order date.
- Lead time to process orders is 1-2 business days from the receipt of the purchase order. Large orders or orders with custom parts may require up to 5 business days.
- METCHRO will acknowledge receipt of orders by email and/or a phone call within 2 business days of receipt. If confirmation is not received, please contact METCHRO to ensure your order is confirmed.
- All claims for shortage must be made within 10 days of receiving the products.

- All applicable taxes and charges are in addition to price list.

- METCHRO will work to resolve delays with the freight company, however, delays do arise from time to time due to weather and unforeseen circumstances beyond METCHRO's control.

CANCELING ORDERS & RETURNING POLICIES

- Cancellation must be submitted via email within 24 hours of the order date.
- If order has already been shipped, it is the customer's responsibility to return the order at the customer's own expense.
- All products returned for credit will be subject to a 15% restocking charge.
- All products must be returned by prepaid freight.
- All products must be returned in its original package and in a resale condition.

CLAIMS (GENERAL TERMS)

- All claims (Shortage, Mis-shipment, Damage, Overage, Customer Error and Billing Error) must be submitted to METCHRO within 5 business days of the receipt of shipment. Claims submitted beyond 5 business days of the receipt of shipment will be voided by METCHRO.
- For all shipments received, the person who signs and receives the shipment at the Customer location is responsible for noting on the Bill of Lading, whether any boxes arrived damaged or shorted. Failure to do so will void all claim rights between all parties.

- METCHRO will have no recourse against the Freight Company if customer does not note any damages or shortages on the Bill of Lading.
- The customer's receiving department must count and sign for the exact number of boxes received. Failure to follow the above instructions will void all claim rights between all parties.

DISCLAIMER

- METCHRO reserves the right to amend or update our Policies & Procedures without notice.
- METCHRO is not responsible for typographical, product information or print errors. Specifications in this catalog may be changed without notice. Products may look different from those in the photos in this catalog due to printing quality.
